NORTH AFRICA TRADE EXHIBITION FOR FAST MOVING CONSUMING GOODS

Exhibition Catalogue

About ACG North Africa

Established in 1986 as the Arab Communication Group, ACG launched Egypt's first specialized trade show. Today, with more than 30 years of experience, ACG operating as ACG-ITF North Africa and based in Dubai, is recognized as the largest trade-show and convention organizer in Egypt and North Africa.

Operates in Three Key Divisions:

1- International Partnerships:

Includes strategic collaborations with global industry leaders such as dmg Events and Informa Exhibitions.

Both dmg and Informa have previously acquired several successful exhibitions from ACG, recognizing its strong market positioning, exceptional event quality, and the significant traffic generated at its shows testament to ACG's reputation as a high-performing exhibition organizer in North Africa.

2- Local Partnerships:

Includes joint ventures and co-organized events with local exhibition companies to expand regional outreach and localization.

3- Conferences & Production Services:

Covers high-level B2B and B2G conferences, as well as turnkey production services for large-scale public and private sector events.

ACG North Africa Serves a wide range of industries, including:

Oil & Gas, Real Estate, Machinery, Plastics, Furniture, Automotive, Building Materials, Medical Equipment, Textiles, Electronics.

Key Achievements

- Regional leader in trade facilitation and market access
- Specialized in B2B, B2G and G2G platforms
- Proven experience with governments, banks, and export stakeholders
- Successfully launched and managed many anchor events

Konzept Exhibitions and Event Management, founded in Cairo in 2011, is a leading exhibitions and conferences company with over 25 years of industry experience and a global footprint spanning more than 25 countries.

The company provides a comprehensive range of services for international trade fairs, official country pavilions, and conferences, delivering each project with creativity, innovation, and professionalism.

Over the years, Konzept has earned a strong reputation as a trusted and reliable partner in international marketing and export development consulting. The company specializes in delivering integrated marketing solutions, alongside organizational, logistical, and public relations services, supporting both individual exhibitors and official country pavilions at trade fairs, events, and conferences worldwide.

The background of the top section features a collage of dairy products: a bowl of powdered sugar-coated pastries on the left, two jars of dairy products in the center (one yellow, one white), and a stack of flatbread on the right. The Al-Dawar logo is prominently displayed on the right side of the top section.

Al-Dawar Dairy Products

Products Range:

Processed Cheese Spread Triangles (with Vegetable Fat), Processed Cheese Analogue (with Vegetable Fat), Nectar Juices, Mozzarella Cheese (with Vegetable Fat), Roumy Cheese, Butter Alternative (Vegetable Fat).

Company Brief:

Al-Dawar Dairy Products is an Egyptian manufacturer specializing in dairy products and juices. The company offers a diverse range of high-quality products, combining traditional Egyptian dairy expertise with modern production standards. Serving both domestic and international markets, Al-Dawar is committed to consistent quality, competitive pricing, reliable supply, and long-term business partnerships.
